20 January 1963

MEMORANDUM FOR THE RECORD

SUBJECT: DD/R Program - Fiscal Year 1963

REFERENCE: Comptroller's memorandum, dated 14 January 1963, to the DDCI,
Subject: FY 1963 Funds Authorization for the DD/R

ATTENDING: General Carter, Mr. Kirkpatrick, Dr. Scoville, Col. Giller,
Messrs. Bross, [REDACTED] 25X1A9A

1. The discussion opened with an explanation by Mr. Bross of the general requirements of the DD/R as outlined in the DD/R memo, and the Comptroller recommended actions pertaining thereto (see reference). It was pointed out that the Bureau of the Budget might consider as much as a [REDACTED] release for ORD. General Carter approved the approach to the BOB for this release. It was also pointed out that the remaining amounts were not readily available without reprogramming except as identified in reference.

2. General Carter stated that he had approved the program level for the DD/R in November, and that he was of the impression that funds were available. This impression was corrected. The program approval at the level requested was confirmed. The DDCI noted the amounts of money available as contained in reference for the DD/R and directed that they should be allocated. (See paragraph 3. for caveat).

3. The discussion then revolved around the remaining amounts. Mr. [REDACTED] suggested that as the DD/R projects were forthcoming, they should indicate fund availability within approved program levels. Where such monies were not available the Comptroller would assume it his responsibility to provide the DDCI with advice on funding. The DDCI agreed and stated that the DD/R was subject to the same project proposal requirements pertaining to FI project approvals and that the over-all approval of the program did not preclude a project-by-project submission through the Comptroller to the DDCI. The DDCI confirmed that it was the Comptroller's responsibility to recommend the source of financing for unfunded DD/R projects. After some discussion as to whether the DD/R research projects should be subjected to the normal requirements for Agency projects, Dr. Scoville agreed with General Carter's
